

Accessibility Statement

NewHeart Learning Limited is committed to ensuring that our website is accessible to all users, regardless of ability or technology. We aim to provide a website that is inclusive, easy to use, and compliant with recognised accessibility standards.

Our Commitment

We strive to ensure that our website is accessible to people with disabilities and is designed to be compatible with commonly used assistive technologies such as screen readers, screen magnifiers, and voice recognition software.

Where possible, we aim to follow the **Web Content Accessibility Guidelines (WCAG) 2.1**, level AA, as a benchmark for accessibility.

Accessibility Features

We have taken steps to make our website more accessible, including:

- Clear, readable fonts and layouts
- Sufficient colour contrast for text and backgrounds
- Logical page structure with headings and labels
- Compatibility with keyboard navigation
- Alternative text for images where appropriate

We are continually reviewing and improving the accessibility of our website.

Limitations and Ongoing Improvements

While we aim to make all areas of our website fully accessible, some content may not yet meet the highest accessibility standards. This may include older documents or third-party content that is outside our direct control.

We are committed to addressing accessibility issues as they are identified.

Feedback and Contact Information

If you experience any difficulty accessing information on our website, or if you require content in an alternative format, please contact us and we will do our best to help.

Email: office@newheartlearning.co.uk

Telephone: 01733 977697

We welcome feedback on the accessibility of our website and will use it to improve the user experience for all visitors.
